Commissioner for Patents

In response to a letter submitted by the Applicant on June 2, 2008 in which Applicant states that Examiner has not approved or denied the drawings submitted by the Applicant, Examiner approves the drawings submitted by Applicant.

Further, while Applicant believes that "...the record as a whole amply supports the allowance and such further comments by the Office do not represent the full scope of the invention...", Examiner does agree with this statement. However, it is due to the reason as stated by the Notice of Allowability that prior art of record does not teach these limitations, hence why the claims are deemed allowable by the Office.
